

TOWN POLICY

COUNCIL POLICY:

Volunteer Agencies, Boards, and Committees Policy

POLICY NUMBER: V-30-1

RESOLUTION NUMBER: 15-88

ADOPTED: July 14, 2015

Appointment to Boards

As volunteer position vacancies occur on Agencies, Boards, or Committees (ABC), or as new ABCs are created, The Town will advertise the vacancies to the public through the local newspaper, television channel, website, and social media accounts requesting applications for the positions be submitted.

All ABCs listed below must provide the Town with a list of vacancies that will need to be filled in the coming year by the end of September 15th.

- Municipal Subdivision and Development Authority
- Family and Community Support Services Board
- Economic Development and Tourism Board
- Mormon Trail Committee
- Communities in Bloom Committee
- Citizen of the Year
- Pow Wow Committee
- Parks and Recreation Committee

The Town will advertise these vacancies through the normal channels, including the Temple City Star, Channel 32, the Town's website, and social media accounts. The ABC may then review the applications or nominations received and select those applicants or nominees which would best suit the ABC. If there are no appropriate submissions, the ABC will be encouraged to compile a list of potential candidates of their choosing.

The ABC will submit their list of potential candidates to Council for approval. Council will have the opportunity to approve the list as a whole or to approve an amended list without the names of applicants they deem to be inappropriate. Council will not prioritize the list of applicants.

The individuals will be contacted in order of priority set by the ABC until the vacancy is filled.

Ad hoc committees will abide by this policy as the committees are formed and only if they have positions for members at large.

All volunteers shall serve and be governed according to the bylaws or regulations of the respective ABC.
