FEE SCHEDULE

SCHEDULE "C"

DISTRIBUTION TARIFF FEE SCHEDULE

Effective January 1, 2019

Service	Fee	Description
Temporary De-energize	\$35.00	This fee applies to a Retailer or Customer who requests a temporary De-energization of service (e.g. – for vacancy or seasonal reasons). A load limiting device may be installed for seasonal, safety or other reasons.
Re-energize after Temporary De-energize	\$35.00	This fee applies to a Retailer or Customer who requests a Re-energization of service including removal of a load limiting device.
Permanent De-energize	No Charge	This service applies to Sites where the Site is De-energized and the equipment permanently removed.
Financial De-energize	\$35.00	This fee applies to a De-energize request from the Default Supply Retailer or Regulated Rate Provider due to non-payment of a Customer account. A load limiting device may be installed for seasonal, safety or other reasons. The fee is charged to the last Retailer to enroll the site.
Re-energize after Financial De-energize	\$35.00 After regular hours \$180.00	This fee applies to a Re-energize request from a Retailer for a Site that was De-energized for financial reasons. Where a request is made to remove a Load Limiting Device, the Retailer that enrolled the Site will be assessed the fee to remove.
Urgent Re-energize	\$140.00	This fee applies to an Urgent, Priority 1 Code 1 Reconnect (re-energize) request from a Retailer for a Site. This service includes removal of a Load Limiting Device and is charged to the Retailer making the request.
Delivery of Cut-off Warning Notice	\$35.00	This fee applies to a request from a Retailer to deliver a cut-off warning notice at a Site where either the Site will be cut-off for financial reasons OR the Customer needs to be warned of impending cut-off due to vacancy or other non-financial reasons. The fee is charged to the Retailer who has enrolled the Site.
Extra Service Trip	\$45.00 per trip	This fee applies when an extra service trip is required because the Customer's Site was not ready to be Energized when initially requested. The fee is charged to the Retailer who has enrolled the Site.
Meter Field In Situ Test	\$175.00	This fee applies when the Meter Shop tests a Meter at the request of a Retailer or Customer. The fee is charged only if the accuracy of the Meter is found to be within the limits allowed by the Government of Canada. The fee is charged to the Retailer that enrolled the site, where applicable.
Off-Cycle Meter Reading	\$60.00	This fee is applied when a Retailer requests that an off-
