Subject: Request to meet with Council on Sept 9 2025 or first meeting in Sept 2025

Good Afternoon Jeff,

This is the first time I am doing this, so let me know if I have this right.

I am appealing some fines on my house sent from the town titled "Mowing of unsightly property". I am told by the office that only council can waive fines and I have to bring my case to them. I hope this is the right approach via a presentation , if it is not, let me know.

Thank you

Mary-Ann

I am appealing the \$150 plus late fees charged for mowing the lot owned under Love Lowry Holdings.
The noticed slipped and my daughter who lives there missed it. I did mow the lawn and rake it
a few days after it was mowed by the town, and have been keeping it since then. While it is no
excuse, I have been traveling for the past two years, before then there were no issues with the
lot as I took care of it.
Please consider waiving this fine, I promise the lawn will be maintained
moving forward as I am back and available to maintain the property. Thank you
